● 30-DAY GO-LIVE GUARANTEE — OR FULL REFUND

Your AI department, live in 30 days.

Done-for-you AI implementation for operating businesses. We build, deploy, and run AI agents inside your business — answering calls, routing leads, automating your highest-friction workflows. **Flat monthly fee. No technical staff required.**

WHAT WE DEPLOY

Three example workflows

01

Quote intake & reply

Inbound RFQs read, matched to inventory, drafted with the right pricing tier, queued for one-click send. **Saves 14 hrs/wk** at our first client.

02

Lead routing & nurture

New inquiries routed to the right rep based on geography, deal size, source, and history. Auto-follow-up if no response in 48 hrs.

03

Status updates & ops

Order, ticket, and project status auto-summarized for customers and internal teams. No more "where are we on this?" pings.
